## SUMMARY

Aspiring Computer Science Engineer seeking to leverage skills in web development, digital marketing, video editing, and graphic designing to create innovative solutions and compelling digital experiences.

## EXPERIENCE

**Digital Marketing Internship**  
(Bajeet.com)

**2 Month Summer Internship**  
17 June 2024 - 17 August 2024

**MERN Stack Development**  
(WSA Academy)

**1 Month Summer Internship**  
3 July 2024 - 3 August 2024

## PROJECTS

### Craft Cart (Currently Working)

"Craft Cart" is an e-commerce project showcasing Indian craft culture by repurposing old items. Built with the MERN stack, it highlights sustainable craftsmanship, offering unique, eco-friendly products through a modern web interface.

### Portfolio

"Portfolio" is a personal website showcasing work, created using HTML, CSS, JavaScript, Bootstrap, and ReactJS. It highlights skills, projects, and experience in a clean, responsive design.

### Student Result Management System

It is a project using HTML, CSS, JavaScript, Bootstrap, and ASP.NET, focused on developing an interactive and user-friendly frontend.

## EDUCATION
